KSPA ACCESSORIES

Foam & Mattress Manufacturing

KSPA Accessories is expanding into world-class foam and mattress manufacturing, delivering premium sleep solutions for global markets. We specialize in OEM and private label manufacturing, producing high-quality foam mattresses, spring mattresses, pillows, and custom foam products tailored to international customer requirements.

Built for Global Markets

Our modern manufacturing facilities combine advanced production technology, skilled craftsmanship, and efficient logistics to deliver premium foam and mattress products worldwide.

From raw material processing to finished product packaging, every stage is managed under strict quality standards to ensure consistency, durability, and customer satisfaction. Whether you're building your own mattress brand or sourcing reliable manufacturing partners, KSPA offers flexible production capabilities designed to meet your exact specifications.
